Lucy Wallace, Chair, NRWSR Study Committee  
Nashua River Wild and Scenic River Study Committee  
c/o Nashua River Watershed Association  
592 Main Street  
Groton, MA 01450

Dear Mr. Fosburgh and Ms. Wallace:

I'm writing in support of the Nashua River Wild and Scenic River Study Committee's work and their recommendation to seek the Partnership Wild and Scenic designation.

The three waterways are within the greater Merrimack River Watershed, which is a particular conservation priority for the Forest Society. We join the strong support of the individual's in the towns who voted in favor seeking the designation.

The Forest Society is a non-profit, membership supported conservation organization with a mission of conserving land and other natural resources. Founded in 1901, the Society is the state's oldest and largest land conservation organization. To date, we hold 185 permanent reservations and 750 conservation easements, protecting a total of about 195,000 acres across New Hampshire.

Please don't hesitate to contact me if you have questions. Thank you.

Sincerely,

Jane A. Difley  
President/Forester
