

Nashua, Squannacook, and Nissitissit Rivers Wild & Scenic Stewardship Council

Officer Nomination Process

Approved 10/21/21

Officer elections for the N-S-N Stewardship Council will be held annually in September or the first scheduled meeting thereafter. This policy outlines the process for nominating and electing Stewardship Council officers.

Before the start of the fiscal year (July 1) the Council will appoint three members to serve as the Nominating Committee for the coming year. The Nominating Committee will solicit recommendations from the Council members for officers (Chair, Vice Chair, Treasurer, and Secretary) which may include current officers and/or members of the Nominating Committee. Before finalizing the slate, the Nominating Committee will confirm with the candidates for a proposed office their willingness to serve if elected. The Nominating Committee will send the recommended slate of officers to the Stewardship Council before September 1st for election by the Council at its first meeting in September or the first scheduled meeting thereafter.
